

extraordinary things / to make people pay attention
to important issues. / I totally agree with this way. /

Lewis showed us three things / that we can do
about climate change. / So, what is it? /

- 1) The first thing / is we need to break this problem
down / into manageable chunks. /
- 2) The second thing / is we need to do / is just
look back / at how far we have come / in such
a short period of time. /
- 3) Also we have to ask ourselves /: "What type
of world / do we want to live in? " /

In conclusion / Lewis's personal story / was a
powerful way to show people * the real effect
of climate change.
